Minor, and that the Guardian claims damages in the sum of \$192 therefore it is ordered by the court that Messrs A. J. Harris David Boswell and Henry Lynch three disinterested householders of Union Co. Or. be appointed and they are hereby appointed to view said proposed Road the whole through the premises of the said claimant and assess and determine how much less valuable such premises of the complainant would be rendered by the opening of said road and it is ordered that said viewers after being duly sworn or affirmed to discharge the duty faithfully and impartially shall meet at the house of G. W. Ruckman on the 23 day of Oct. 1884 at the 10 o'clock of said day and perform the duties as hereinbefore provided in writing to this court at its next regular term thereof.

Whereupon Court adjourned till tomorrow morning at 5 o'clock A.M.

In the matter of the proposed county  
road petitioned for by Jesse Public et al.

Now at this time this matter comes on to be heard upon the Report of viewers heretofore appointed by the court in the above entitled road to appraise damages sustained by individuals through and along whose property the line of said proposed road runs and particularly the property of Daisy P. Cornell, Minor, of whose person and property Wm. Cornell is the duly appointed Guardian, and it appearing from said report that no damages are sustained by ~~any~~ said Daisy P. Cornell minor as aforesaid. It is therefore ordered by the court that no damages be allowed to any person, upon the opening of said road. And it further appearing that the road had been heretofore dismissed on account of the apparent indefiniteness of the terminus of said road and that subsequently the matter revolved in this court upon certiorari, and that the apparent indefiniteness had been explained to the court to its satisfaction, and that the report of the viewers heretofore appointed by the court to view and lay out said <sup>road</sup> has been read twice in open court on two different days of a term of this court. It is therefore ordered by the court that the viewers report and plat and field notes of surveyor be placed on record and said proposed road be established and opened according to law.

## Viewers Report

To the Honorable the County Court of Union Co. Oregon

We the undersigned viewers appointed by the above named court, met with the County Surveyor on the 25 day of July 1854 and after being duly qualified and getting to our assistance John Mitchell and M. M. Hamilton as chain carriers and Samuel Cochran as flag man proceeded to view and survey the road petitioned for by Jesse and others. We find said road would be a very beneficial one to the public in general, as there is no other road crossing the river for five or six

miles up the river or ten miles down the. It will require considerable expense to make a passable road of.

A bridge about 200 feet long will be required where the road crosses Grand Coulee river. The land on the east side of the river for about one fourth mile is low and wet but can be made a very good road except in the spring when the water is high. On

the line running east from second angle stake as shown by plat of surveyor we find a cliff of rock that it would be <sup>very</sup> difficult to make a road on the line, but by varying a short distance from the line a very good road can be made without much expense and also make an easier grade up the hill.

The land on the proposed change is unsurveyed but is claimed by our Ed. Morton and is mostly pasture land.

The road the entire distance with this exception passes along lines between farms and divide our man's land. Taking everything into consideration and therefore recommend the road to your favorable consideration.
