In the matter of the }
Delinquent Taxes }

This matter comes on for consideration on the matter of the Delinquent Tax List. And the court finds that there is a long list of Delinquents on the Tax List, many of whom could and should pay their taxes and if they will not pay, they should be compelled to pay, by the sheriff, who is falling far short of his sworn duty, which is greatly to the prejudice of those who pay their taxes, in returning parties delinquent time and again, and year after year, when they can and should be made to pay. These delinquents pay no interest to the county if they eventually pay the tax, while the county has to pay interest on her indebtedness. And the longer the payment of taxes is delayed the more of it is lost entirely. Now therefore the court instructs and requires the sheriff to proceed with all possible dispatch to collect all Delinquent Tax that can be collected by levy and sale of property if necessary.

In the matter of the }
Proposed County Road }
petitioned for by M. Richey et al. }

At this time is presented to the court the petition of G. M. Richey et al. 28 others praying for the establishment of a County Road. But it appearing that there has been no proof of posting notices filed herein as provided by law nor any Bond filed. It is considered and ordered by the court that the petition be dismissed.

In the matter of the Proposed }

by M. L. Carter et al. }

This matter came on to be heard at this time on the certificate of Wm G. Beach filed herein setting out the fact of his having withdrawn all claim for damages and upon the reports of Viewers and surveyor heretofore filed for a second reading and final action. And it appearing to the court that said reports are favorable and that the Viewers recommend that the proposed road be opened according to law and made a public county road, and Wm G. Beach having withdrawn his claim for damages herein. And it appearing to the court that all the proceedings herein
