In the matter of the proposed
County Road petitioned for by
James R. Kilkinson & others

Comes now James R. Kilkinson one of the petitioners for the above named proposed County road and presents to the Court the petition of himself and others praying for the location and establishment of a County Road described as follows, to-wit: Beginning at a point on the NW 1/4 Sec 17 in T. 8. S. R. 42 E. 20m, and on the County road south west of John Irwins thence following in a S. easterly direction and west of John Irwins house and as near as practicable intersecting and following the sec line between Sec 8 & 9 to a point nearly west of John A. Fickers house, thence following in an easterly direction on the present travelled road to Sanger from John A. Fickers to a point near the south line of Sec 24 in T. 7. S. R. 42 E. 20m near James Kilkinson's thence in a Northerly direction west of a small Creek through the N. of N. Sec 24 by way of the old copper mines, and up the east fork of said Creek or Ravine through Sec 13 and terminating on the Union and Cornucopia Road in Sec 12 S. 7. S. R. 42 E. 20m And it appearing to the Court that said petition is signed by more than twelve householders of this County residing in the vicinity of said proposed road and that said petition properly specified the place of beginning intermediate points and place of termination of said road, and it satisfactorily appearing to the Court that notice has been given by advertisement posted at the place of holding County Court to-wit: at the Court House in Union County of Union State of Oregon and also in three public places in the vicinity of said proposed road, to-wit: one at the beginning of the proposed road on a board nailed to the fence one at the middle of said proposed road posted on a fence and one at the terminus of the proposed road nailed to a tree marked "22 m" on the Union and Cornucopia road and all being by the road side for more than thirty days immediately prior to the presentation of said petition to this Court notifying all persons concerned that application would be made to this Court at the present session of this Court; and that the notices so posted were in due form and duly signed by the petitioners and that a bond for the cost of this proceeding has been duly given It is therefore ordered that Jo Sturgill, John Erwin and Wm Leasy be appointed Viewers of said road and that J. M. we beg leave to report that on the 18 day of Nov 1889, we, after being duly sworn to discharge our duty faithfully and impartially proceeded to view said proposed road the whole distance through the premises of F. S. Ladd Complainant, and to assess and determine how much less valuable said premises of said Complainant would be rendered by the opening of said road, and we find that the premises of said Complainant F. S. Ladd would be rendered \$100⁰⁰ less valuable by the laying out and establishment of said proposed road as a public highway of said County, and recommend that One Hundred Dollars be paid to said Complainant before laying out and establishing said road as a public highway.

And said report appearing regular in all things is approved by the Court; and said road being of great public utility and one of the most important thoroughfares of the County, the Court deems itself thoroughly warranted in paying said damages out of the County treasury. It is therefore considered and ordered by the Court that said amount of \$100- so appraised and allowed by the appraisers be paid out of the County treasury and the Clerk is ordered to issue a warrant on the Treasurer for the same.
