TO THE HONORABLE COUNTY COURT FOR UNION COUNTY, OREGON:

The undersigned Board of County Road Viewers, heretofore on the 5th day of September 1929, instructed to view, lay out and alter the proposed county road, of which the survey hereto attached is a true and correct description, as petitioned for by Roy Hardy et al., beg leave to report that on the 11th day of September, 1929, in pursuance with said order, we proceeded to view out said proposed road for the whole distance thereof, and that in our opinions said proposed road should be laid out and established as a public highway of Union County, Oregon; that the same is practicable and would add to the convenience of the householders residing in the vicinity thereof. We therefore recommend that said proposed road be laid out and declared a public highway of said county.

We further recommend that Joe Ott be paid the sum of \$175.00 for 3 1/2 acres of land required as a right of way for said road and that cattle pass be constructed, if requested by the said Joe Ott.

REMONSTRANCE

We the undersigned freeholders of the road district,
where above road ~~is~~ proposed to be located do hereby
Remonstrate against the establishment of such county road where
proposed to be located, viz

Commencing at a point 40 rods East of the southwest
corner of the Northwest Quarter of Sec 30 Twp 2 N R
40 L W M tance running northwesterly to the Northwest
corner of said section 30 a distance of approximately 1/2
mile in Union County Oregon,

and some of the grounds causing our remonstrance are,
That it parallels a county road now established and in use
That it would leave the Schoolhouse in School District #45
in Union County Oregon on a side road

That it would also leave a well established farm residence
of Lincoln Wood on a side road or private road

That the purpose of said original petition was to eliminate
a steep grade north of the Lincoln Wood farm on the present
established county road, that said steep grade can be eliminated
by taking off of the present county road north of the Lincoln
Wood residence and terminating where the above petition pro-
poses to terminate thus shortening the road to be established
by some one half distance

That said road if constructed starting north from the Lincoln
Wood residence and terminating at the point proposed in the
above petition would cause less damage to the property owned
through whose lands the proposed road would be established and
would be of less expence to Union County to construct same.

We whose names appear hereon and who have heretofore
signed the original petition above mentioned desire to have
our names stricken from the original petition and that our
signatures be considered only to this remonstrance
