IN THE COUNTY COURT OF THE STATE OF OREGON FOR THE COUNTY OF UNION

In the matter of the reduction in width
of "Q" Street, now a county road, in
Williamson's Addition, Union County,
Oregon.

Report of County Engineer on proposed reduction in width of
"Q" Street (County Road)

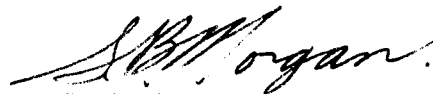

To the Honorable County Court of Union County, Oregon;

In Compliance with your order dated March 17, 1955, I proceeded
to view that portion of Q Street (County Road) in Williamson's Addition,
Union County, Oregon, proposed to be reduced in width.

I find that said road was originally platted and dedicated to
public use as a road eighty feet in width. That said road is wider than is
required for a road so located and carrying a limited amount of traffic.

I, therefore, recommend that said road be reduced to sixty
feet, or thirty feet on each side of the center line thereof.

Dated at La Grande, Oregon, this 23rd. day of March, 1955.
